

Solution Sheet

# NATIONWIDE MANAGED POTS

## NETFORTRIS MANAGED POTS OVERVIEW

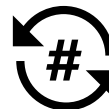

### Hybrid Voice Solutions

For many businesses, voice infrastructure is not a one-size-fits-all solution. Businesses that rely on traditional voice solutions for alarm, fax and elevator lines can look to NetFortris as a complete voice partner. NetFortris Managed POTS is an excellent complement to our VOIP and UCaaS platform — one that saves you money and consolidates your monthly expenses.

We know that each business has complex needs that require comprehensive solutions. Trust NetFortris with your traditional telephony services!

**POTS is perfect for alarm, elevator, or backup lines to complement your NetFortris VOIP Platform.**

### Key Service Features

New or ported lines

200 bundled local and LD minutes

Non-published directory listing

Available in most markets nationwide

Competitive rates & consolidated billing

### About NetFortris

NetFortris delivers secure, reliable communication solutions, customized to meet the unique needs of mid-market and enterprise customers. NetFortris cloud solutions, carried over our private, nationwide MPLS network, include SD WAN, Voice & UCaaS, Network and Data Security and 4G backup. Not only do we manage these services with, or on behalf of our customers, we consolidate billing to streamline their operation. Customized Solutions, Secure and Reliable, Geared toward Growth, that's Business Communications Simplified.
